

Year 2 St. George's Day Crafts

Inspiration

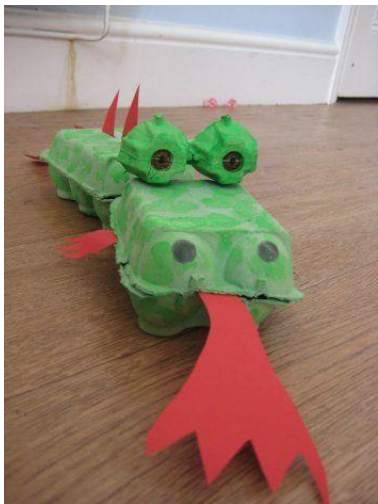

What can you design and make to celebrate St. George's Day?

I would love you to take a photo and write the instructions afterwards. Remember instruction writing will need a **title** and **subheadings** (e.g. Materials, Ingredients, Equipment, What you need? What you do?) and **command sentences** that start with **verbs** (Stick..... Place.....Cut..... Mix etc) You could also use precise measures (10cm, 1 spoonful) and adverbs (carefully, gently etc) I can't wait to see what you create.....
