

## Wednesday English

1. Choose five spellings and write a sentence for each of them.

### Spelling Words

measure    treasure    pleasure    enclosure    decide    describe    different    difficult

## Speech Marks

2. Add speech marks to these to these sentences:
- My favourite food is a doughnut with a glass of engine oil, said Robot.
  - We like to take our robot dogs for a walk in the park, Robot's friend said.
  - I love watching Transformers! It's great! exclaimed Robot.
  - Robot asked, Where can I go to get a broken metal finger checked out?
3. Can you write some sentences using speech marks correctly? Remember, they go around anything that was said by someone.

Speech marks go around  
the bits of a sentence  
actually being said.

"Hello!"
