English - 'The Egg' story , alliteration and noun phrases

Read or watch the story of 'The Egg' by Robertson

<https://www.youtube.com/watch?v=wt-POM-hIRE>

Imagine you found some eggs! Can you write sentences to describe what would hatch out of them? Can you use expanded noun phrases and alliteration? (For example - This egg contains a scary, scarlet sea dragon. This egg will hatch into a tiny but terrifying tree dragon.)

Print the separate pdf or make your own 'Dragon Eggyclopedia'

Computing - What is coding?

Use the link to answer the questions;

'What is coding?' and 'What is an algorithm?'

At school, we use a programme called 'Scratch' - it is free to use! Your child may be able to show you how to use it! It is a lot of fun and you could even create coded dragons.
