

## Maths

Tuesday 12<sup>th</sup> May

### 1. Daily Maths Challenge

Practise the times tables facts in a way that you choose. This could be by writing these out e.g. make a poster of one of the times tables with division facts.

As the Times Tables Rock Stars Tournament between Y5 and Y6 continues until Friday at 4:30p.m., you could choose to practise times tables on here!

### 2. Maths Task- Equivalent Fractions

Watch the video clip at:

<https://whiterosemaths.com/homelearning/year-5/>

Summer Term/ Week 4/ Lesson 2-Equivalent Fractions

**Have a go at today's maths task *on page 1 of the worksheet.***

You may choose to try the challenges at the top of the second page also.

There is a further 'Deepest Dive' task below this, which you may choose to work on with your family.
