English – Read about dragons and plan your own

Read through the descriptions of dragons with an adult. Find out the meanings of any unfamiliar words.

Fill out the planning sheet (or make your own!) to prepare your own notes before writing about our dragons tomorrow. See separate pdfs

Science – Hygiene – Washing Hands

Florence Nightingale pioneered the idea that keeping clean is essential to health. Why is it especially important at the moment? Watch this clip and if you can, have a go at this investigation yourself!
