

Maths

Friday 15th May

**This week, a St. Peter's T.T. Rock Stars Tournament has been set up:
Y5 v Y6. It ends *today* at 4.30p.m.**

Can you play a part in this class challenge?

1. Daily Maths Challenge

Remember that today is the last day for the Y5 v Y6 T.T. Rock Stars Tournament.

Instead of a 'Four a Day' task, spend some time practising times tables facts. This could be using Education City, Times Tables Rock Stars, writing out the facts etc.

2. Maths Task

There are two maths challenges to choose from today. Which one would you prefer?

- Emoji Code Breaking (choose one- they get more challenging as you scroll down)
- Pirate Calculation Challenge

The answers can be found after each of the challenges.
