

Week Commencing- Monday 18th May 2020

Year 4 - R.E

Please spend a bit of time each afternoon this week having a go at the following task.

Task: Can you consider which story in the Bible is your favourite and why?

Perhaps you can read your chosen story with someone at home (or read yourself) this week. Perhaps you could consider some of the Bible stories about Jesus performing miracles that we have read in Year 4?

There is a worksheet to help you but you can present your work any way you want. You may like to produce your own PowerPoint, create a poster, some writing or have a go at some art from your chosen story.
