

HANDA'S SURPRISE

EILEEN BROWNE

Handa put seven **delicious** fruits in a basket for her friend, Akeyo.

She will be surprised thought Handa as she set off for Akeyo's village.

I wonder which fruit she'll like best?

Will she like the soft yellow banana...

or the **sweet-smelling** guava?

Will she like the **round juicy** orange...

or the **ripe red** mango?

will she like the **spiky-leaved** pineapple...

the **creamy green** avocado...

or the **tangy purple** passion-fruit?

Which fruit will Akeyo like best?

Hello, Akeyo...

I've brought you
a surprise.

An illustration of two young girls with dark skin and curly hair. The girl on the left is wearing a blue top and a yellow and green patterned shawl, looking down at a large pile of tangerines. The girl on the right is wearing a pink tank top with a green and yellow pattern, looking up and smiling with her hand near her face. In the background, other children are partially visible. The foreground is filled with a large pile of tangerines.

Tangerines!
My favourite
fruit.

Tangerines?
That *is*
a surprise!
