

A New World

Story Starter!

She had already travelled so far, yet still had so much further to go. This was just the beginning of her journey. She began today like every other: sitting with her line in the water, hoping to catch a bite for breakfast. It had been over three weeks since she had seen another person, three weeks since the land had disappeared...

Your task today is to finish the story.

- Think about what happened to the land and the other people.
- What is her name?
- Where she is going?
