

# Resurrection - Hope

- **Equipment**

Pieces of ribbon or coloured wool, scissors

- **Set up**

Cut some lengths of ribbon, about 6" (150mm)

- **Instructions**

Sometimes God changes a situation in amazing ways, like raising Jesus from the dead.

What situations are you hoping will change?

When we pray we are lifting our hopes to God.

For each thing you're hoping for, take a piece of ribbon and hold it for a moment as you pray.

Then tie the ribbons somewhere where you will see them every day to remind you of your hopes and prayers.
