

Good morning, Year 5!

Today, we'll look at how we can include different punctuation in our writing.

I. Log on to Education City.

2. Watch the learn screen, *River Deep*, to learn more about adding complex punctuation.

3. Have a go at the *River Deep* activity on Education City.

4. Add the correct punctuation on the *River Deep* activity sheet which can be found on our website or on Education City . The answers are on the class website but remember that dashes, brackets and commas can be used to indicate parenthesis.

Have a great weekend!
