

Good morning, Year 5! Welcome back to week three of our home learning.

This morning, let's zoom forward to the Year 3000 and take a trip on the Air Hotel 3000. Can you imagine? What amazing facilities could you experience on-board this amazing flying hotel?

Read the English overview to help you to write a poster or leaflet to advertise this new type of hotel.

### **Consider:**

- Layout to engage the reader e.g. sub-headings and short paragraphs
  - A bold title to catch the reader's attention
  - Descriptive language
- Facts and opinions about the facilities and experiences
  - Eye-catching images to persuade people to visit
- Persuasive language e.g. without doubt.../ certainly...
  - Other details e.g. contact details, special offers

You may choose to write a newspaper article about the hotel's first outing instead.

**Remember to use your Y5/6 writing checklist to help you.**
