

## **Save Our Habitat!**

### **Question Time!**

1. What is a habitat?
2. What is happening in the picture?
3. Do you think it is fair?
4. Which animals can you see?
6. Do you think there are any important messages to take from this picture?
7. If you were driving the digger, how would you feel? What would you do?

## **Help Save The Habitat!**

**Can you persuade the humans to leave the animals alone? This could be a persuasive poster, leaflet or even a letter.**

## **Perfect Picture!**

Can you draw a picture that shows: 1) the animals' home before the diggers came along, and 2) what the scene looks like after the humans have finished on the site?
