Can I use my senses to describe?

Warm up

Which of these sentences is correct? (makes sense)

I meet the natives and gave them gifts.

I met the natives and give them gifts.

I meets the natives and gave them gifts.

I met the natives and gave them gifts.

Today we are going to think about how to describe using our senses.

Can you remember what the 5 senses are?

Senses

- Taste
- Sight
- Touch
- Sound
- Smell

Well done! Now here is an extra challenge if you are up for it.

Today's task:

I would like you to imagine that you are Christopher Columbus. You are on your first voyage to prove that the world is round. You are standing at the wheel of your ship and in the distance you see land.

I would like you to complete the spider diagram thinking of adjectives to describe the moment you see land.
