MESSAGE FROM THE HEAD TEACHER

Dear Parent / Carer,

The week has flown by, and our children are now settling into the school year like they have never been away.

This week, we were visited by Rev James Taylor, our new vicar, and he will be a regular visitor each Wednesday to conduct our collective worship. This week he told us all about himself, including his favourite food and rugby league team which unfortunately reside across the East Lancashire Road! Rev James will settle in nicely within our school community. On the same day, our reception children attended their first assembly with the whole school. They were fantastic as they learned new songs, listened to myself and the Vicar and were taught the actions to My Lighthouse by pupils at the front. It can be quite a loud experience; however they were great whilst sitting with their Year 6 buddies.

Our personal development curriculum experiences have started early with a visit from The Daniel Fox Foundation. The foundation delivers an age-appropriate insight into the problems with children who carry knives which has been an issue in our area recently. Year 6 listened intently and asked very good questions which the visitor commented on. We will continue to have visitors to school all year, ensuring they are fully equipped to keep safe around water, on railway tracks or on the roads.

Finally, congratulations to all our Year 6 pupils who received their responsibilities this week. Well done to our Sports leaders, House Captains, Prefects, Worship monitors and Environmental leads.

Congratulations also to our Head and Deputy Head boy and girl, I am sure you will be fantastic representatives for St. Peter's.

Head Girl: Florence Lloyd

Deputy Head Girl: Ruby Pugh

Head Boy: Angus Nilsson

Deputy Head Boy: Jonah Abbott

Have a lovely weekend

WORLD SPACE WEEK COMPETITION

**World Space
Week** OCTOBER 4-10

Competition Time

To celebrate World Space Week this October, we are running a competition across school.

We would like you to go outside one evening and have a really good look at the Moon (through a telescope, binoculars, your best glasses, or, if the weather is as British as we expect it to be, through a web browser...).

Once you have studied its plethora of mountains, valleys, and craters, we would like you to produce a piece of art and send it in to us (this could be of the Moon itself, or it could be something linked to the Moon: The Chanrayaan 3 space craft for example). Use any medium you wish; the bigger the better!

Please send your entries in by Wednesday 4th October.

SCHOOL MEAL ARRANGEMENTS

We have had some issues with children swapping their lunch time arrangements without keeping the office informed.

If your child wishes to change their lunch preference please advise the office via email giving a week's notice.

Payment for school dinners is taken through the School Money Online Payment System.

HOLIDAY REQUESTS

Holiday Requests

Please note that all term time holiday requests will be unauthorised. Taking holidays during term time does have a detrimental effect on a child's education. Extended holidays in particular can be the difference between children achieving their year group objectives and not particularly if the pupil then is off for period of time with a sickness. Any pupil that falls below 94% attendance is classed as a cause for concern and will be contacted by the Education welfare Officer.

There are penalties, as set out by St Helens MBC, that could lead to up to £600 for a family of four
