

Thank you teacher card instructions

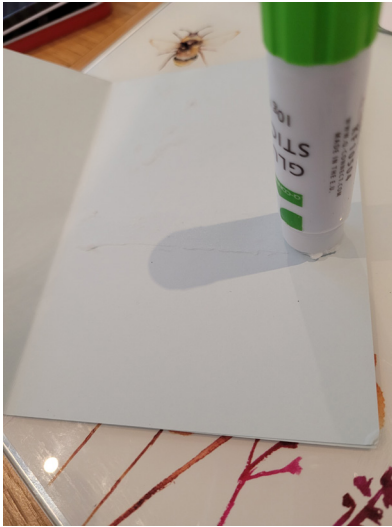

## Option A instructions

You'll find a folded piece of blue paper, a white card, rainbow strips and a glue stick in your pack. If you are missing any of these items, please send a message to the PTA, or message Rebecca Fuller, the card activity coordinator. email [stpeters\\_pta@yahoo.co.uk](mailto:stpeters_pta@yahoo.co.uk) or via the Facebook page.

Use the white card to draw a cloud on the majority of the area and then cut it out.

Spread a line of glue across the center of the card and attach each strip along the card.

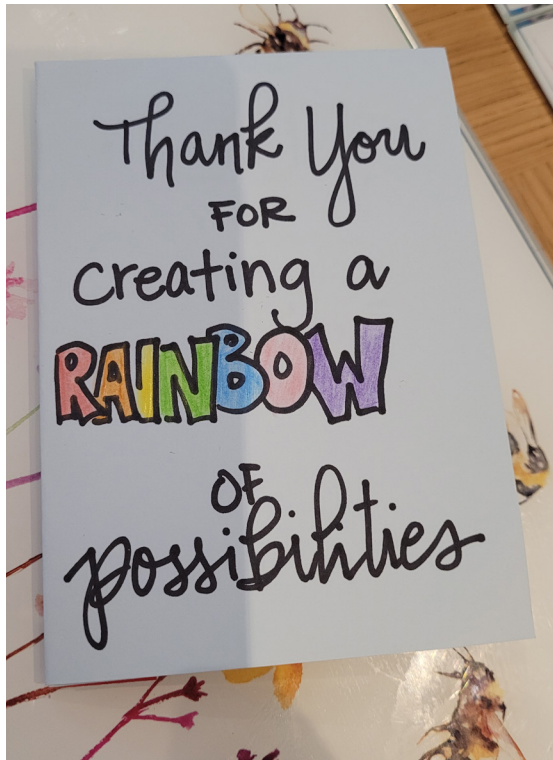

Spread glue onto the back of the cloud and stick it on top of the strips of rainbow.

Draw a face on the cloud and write your message on the front of the card. All done!

## Option B instructions

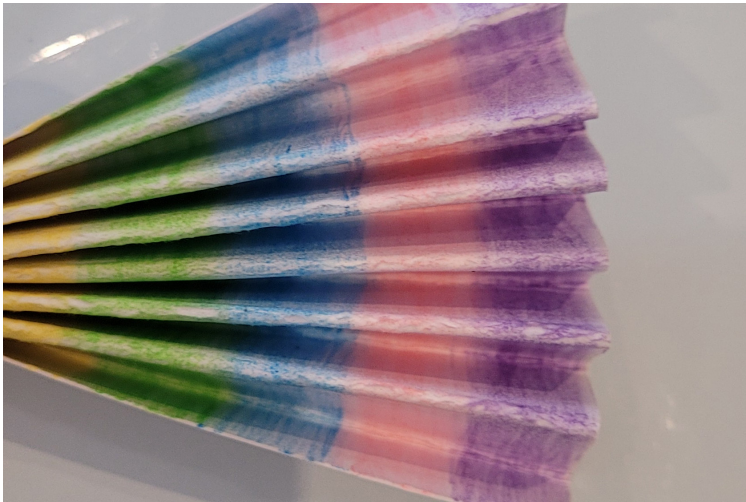

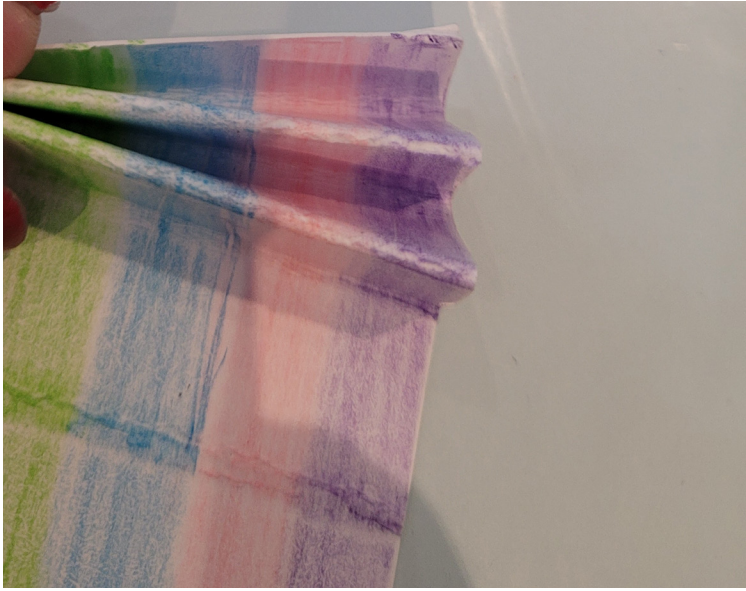

In option B, you'll find, a folded up piece of blue paper, a long white card, folded in half and a glue stick in your pack. If you are missing any of these items, please send a message to the PTA, or message Rebecca Fuller, the card activity coordinator.

Start by cutting the white folded card along the fold so that you have two long strips.

Using one strip of white paper, colour a rainbow using pencils, crayons or paint. Colour BOTH sides of the rainbow.

Concertina fold the coloured in rainbow

Spread glue along the edge of the rainbow. Press down a slight way away from the center and hold for a few seconds.

Spread glue on the other end of the folded piece of paper.

Press down on the outside of the card and hold for a few seconds until it sticks.

You should end up with the card stuck to each side as depicted in the photo.

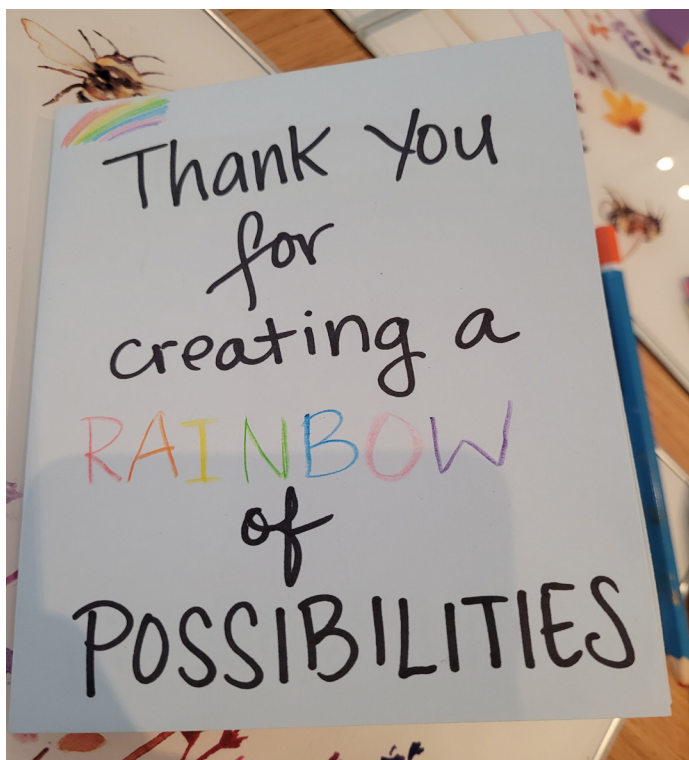

Using the other strip of white paper, draw two clouds and cut them out.

Glue the clouds onto card and draw faces on them.

Write your message on the front of the card to finish!
