

2023 Geography Competition

St. Peter's Geography Competition

Take a look at the symbols which are used in Ordnance Survey (Britain's mapping agency) maps that are on the next pages.

Use these to design your own island!

Design your own island

Use the map symbols on the next pages.

Design your own island using different symbols to show features e.g. roads, forests or theme parks.

Remember, some features will only be appropriate in certain landscapes. For example, you are unlikely to find a lighthouse on top of a mountain!

Entries should be handed in to your class teacher (or emailed to the school office: stpeter@sthelens.org.uk) by **1pm on Friday 10th March.**

Prize winners will be announced during assembly the following week.

Good luck- we can't wait to see your island designs!

Thank you to everyone who entered our 'Design an Island' competition.

We were delighted with the amazing entries that we received from you all.

Congratulations to all our winners:

First Place (Teacher's Choice) - Aoife Y5

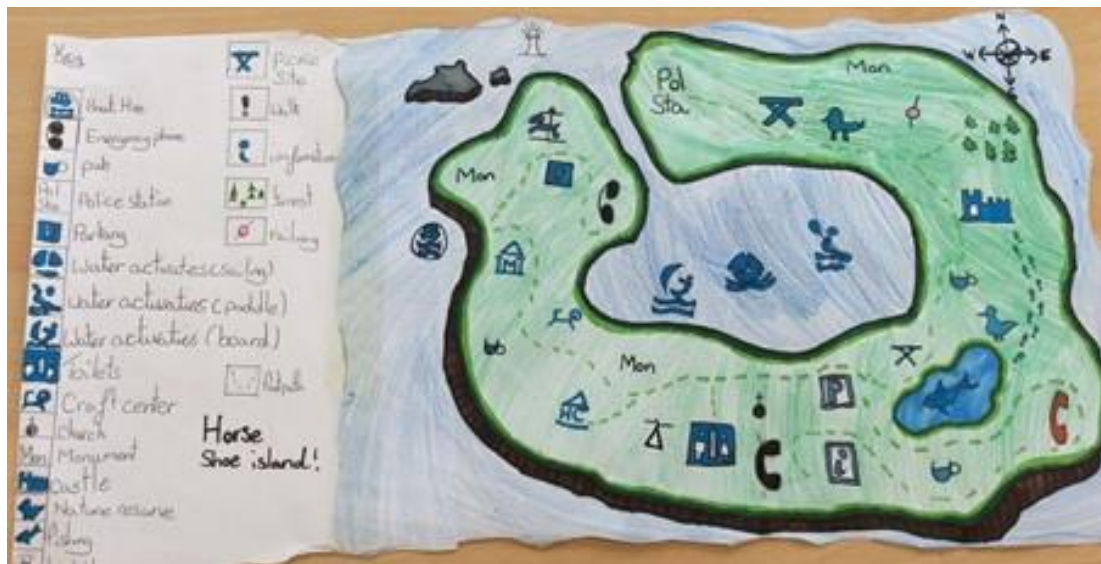

**First Place (Geography Ambassadors' Choice)-
Jorgie Y5**

Second Places

Charlie Y3

Karla Y5

Runners Up

Morrie Y2

Sophie Y4

Lucy Y6
