## MESSAGE FROM THE HEAD TEACHER

Dear Parent / Carer,

You can't have missed the fact that it was sports week this week with all our pupils taking part in their respective sports days and Race for Life.

Thankfully the weather held, especially on Tuesday, and the children had a great time taking part in a traditional egg and spoon race, space hopper race, sprint, sack, and obstacle course. Year 5 and 6 also took part in a short distance race that turned out for some to be more of a parade which was fun to watch. Thank you also to the adults who took part in their race. Hopefully there are not too many pulled muscles and strains today.

Race for Life is a charity close to our hearts and each year they come into school and tell the children what its for. The children often share who they are running for and why.

We have had two tournaments this week. Year 6 came 3rd in the cricket, losing to a golden over in the semi-final. The teams were fantastic and drew plaudits from all over saying that we were the best team. Still, they came home with some lovely medals and had a great day out. Year 6 also went to a rugby tournament at Wargrave Primary, they came a creditable 4th and really enjoyed themselves. Well done to all our teams this week who represented the school brilliantly.

Some of you may have seen our Facebook post about hedgehogs. St Peter's is a release centre for rehabilitated hedgehogs, and we use the Environmental Hub as the base. This week, we released 'Robinson' who was found by Year 6 a few weeks ago on our school field. He is now fit and well, living in our undergrowth on the school field. Moorcroft, a baby hoglet was rescued by Mr Moorcroft and is now undergoing treatment at a rescue centre.

The Readathon – we will give out certificates and prizes to winner next week. Life has been a little full on in school recently, so my apologies for that.

Finally, our school summer fun day is tomorrow. Please make some time and come down to support this event. It won't be a success unless people take part.

See you all tomorrow,

Mr Robinson.

**If you feel your child could benefit from some pastoral support,  
do not hesitate to contact us.**

Our Senior Mental Health Lead ensures that all our pupils who require pastoral care for issues such as bereavement, friendship issues, home issues and anxiety, receive time each week with our pastoral staff who offer over 8 hours of individual and small group sessions.

If you feel that your child could benefit from this offer, please contact Mrs Colley.

The team has regular meeting to discuss and measure the progress of pupils who fall into specific categories, including attendance, wellbeing issues, SEN, behavioural issues and safeguarding.

## Polite Reminder – We Are A Nut Free School

Just a polite reminder, please could you ensure children are not bringing in snacks or lunch items containing nuts.

We do have nut allergies in the school and appreciate your support in keeping our children safe.

## EMPATHY

Research shows empathy is a crucial life skill to create stronger, kinder communities, and books can play a huge part in developing it within children.

St. Peter's has taken part in Empathy Lab's designated Empathy Day on the 5<sup>th</sup> June and discussed Refugee Week (17th-21st June) to try and understand the feelings and plight of others.

Each class is reading 'Empathy-Rich' stories, engaging in active-listening conversation skills and have made an empathy pledge.
