

St Peter's CE Primary School

Special Educational Need and Disabilities (SEND) Policy

Date policy last reviewed: September
2024

Statement of intent

St Peter's values all pupils and celebrates diversity of experience, interest and achievement. All pupils need to experience praise, recognition and success, and pupils with SEND have equal entitlement to this.

This policy outlines the framework for the school to meet its duty, obligation and principal equality values to provide a high-quality education to all of its pupils, including pupils with SEND, and to do everything it can to meet the needs of pupils with SEND.

Through successful implementation of this policy, the school aims to:

- Eliminate discrimination.
- Promote equal opportunities.
- Foster good relationships between pupils with SEND and pupils without SEND.

The school will work with the LA, or equivalent, in ensuring that the following principles underpin this policy:

- The involvement of pupils and their parents in decision-making.
- The early identification of pupils' needs and early intervention to support them.
- A focus on inclusive practice and removing barriers to learning.
- Collaboration between education, health and social care services to provide support.
- High-quality provision to meet the needs of pupils with SEND.
- Greater choice and control for pupils and their parents over their support.
- Successful preparation for adulthood, including independent living and employment.

1. Legal framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Children and Families Act 2014
- Health and Social Care Act 2012
- Equality Act 2010
- The Equality Act 2010 (Disability) Regulations 2010
- Education Act 1996
- Education Act 2002
- Mental Capacity Act 2005
- Children Act 1989
- The Special Educational Needs and Disability (Amendment) Regulations 2015
- The Special Educational Needs (Personal Budgets) Regulations 2014
- The Special Educational Needs and Disability (Detained Persons) Regulations 2015
- Local Government Act 1974
- Disabled Persons (Services, Consultation and Representation) Act 1986
- Data Protection Act 2018
- The UK General Data Protection Regulation (GDPR)
- Health and Care Act 2022

This policy has due regard to statutory and non-statutory guidance, including, but not limited to, the following:

- DfE (2015) 'Special educational needs and disability code of practice: 0 to 25 years'
- DfE (2015) 'Supporting pupils at school with medical conditions'
- DfE (2024) 'Keeping children safe in education 2024'
- DfE (2018) 'Working Together to Safeguard Children'
- DfE (2018) 'Mental health and wellbeing provision in schools'
- DfE (2021) 'School Admissions Code'
- Equality and Human Rights Commission (EHRC) (2015) 'Reasonable adjustments for disabled pupils'

This policy operates in conjunction with the following school policies:

- Admissions Policy
- Equal Opportunities Policy: Pupils
- Pupil Confidentiality Policy
- Data Protection Policy
- Supporting Pupils with Medical Conditions Policy
- Child Protection and Safeguarding Policy
- Exclusion Policy
- Behavioural Policy
- Complaints Procedures Policy
- Accessibility Plan

2. Identifying SEND

The school recognises that early identification and effective provision improves long-term outcomes for pupils. As part of the overall approach to monitoring the progress and development of all pupils, it has a clear approach to identifying and responding to SEND as outlined in the school's SEN Information Report.

With the support of the SLT, classroom teachers will conduct regular progress assessments for all pupils, with the aim of identifying pupils who are making less than expected progress given their age and individual circumstances.

'Less than expected progress' will be characterised by progress which:

- Is significantly slower than that of their peers starting from the same baseline.
- Does not match or better the pupil's previous rate of progress.
- Fails to close the attainment gap between them and their peers.
- Widens the attainment gap.

The school plans, manages and reviews SEND provision across the following four broad areas of need:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

3. Definitions

For this policy, a pupil is defined as having SEND if they have a:

- Significantly greater difficulty in learning than most others of the same age.
- Disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age.

Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities.

The school reviews how well equipped we are to provide support across the following areas:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and physical needs

Communication and interaction

Pupils with speech, language and communication needs (SLCN) have difficulty in communicating with others, often because they have difficulty saying what they want, they cannot understand what is being said to them, or they do not understand or use social rules of communication.

The school recognises that:

- Pupils with Autism Spectrum Disorder (ASD), including Asperger's Syndrome and Autism, can have particular difficulties with social interaction.
- The profile for every pupil with SLCN is different and their needs may change over time. They may have difficulty with one, some, or all the different aspects of speech, language or social communication at different times of their lives.

The SENCO will work with pupils, parents, and language and communication experts where necessary to ensure pupils with SLCN reach their potential.

Cognition and learning

Pupils with learning difficulties may require support – the school will offer one-to-one learning support where necessary.

The school understands that learning difficulties cover a wide range of needs, such as moderate learning difficulty (MLD), severe learning difficulty (SLD) and profound and multiple learning disabilities (PMLD). The SENCO will ensure that any provision offered will be suitable to the needs of the pupil.

Specific learning difficulties (SpLDs) affect one or more specific aspects of learning. This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia.

Social, emotional and mental health (SEMH) difficulties

Pupils may experience a wide range of social and emotional difficulties that manifest themselves in many ways, including becoming withdrawn or isolated, or displaying challenging, disruptive and disturbing behaviour. The school recognises that these behaviours may reflect underlying mental health difficulties such as anxiety or depression, and the school will implement a Social, Emotional and Mental Health (SEMH) Policy to support pupils with these difficulties.

The school will ensure that provisions and allowances are made for the ways in which these mental health difficulties can influence the behaviour of pupils with SEND within its Behavioural Policy, including how we will manage the effect of any disruptive behaviour so that it doesn't adversely affect other pupils.

Sensory or physical needs

Impairments that prevent or hinder pupils from using the school facilities, such as vision impairment (VI), do not necessarily have SEND. The school will ensure staff understand that:

- Some conditions can be age-related and can fluctuate over time.

- A pupil with a disability is covered by the definition of SEND if they require special educational provision.

Under The Equality Act 2010 (Disability) Regulations 2010, the following conditions do not constitute a disability:

- A tendency to set fires
- A tendency to steal
- A tendency to commit physical or sexual abuse towards others
- Exhibitionism
- Voyeurism

The school recognises, however, that pupils who have sensory or physical impairments may require specialist support or equipment to access their learning, regardless of whether or not their impairment falls under the SEND definition, and the SENCO will ensure that their support needs are being met.

4. Objectives

Every school is required to identify and address the SEND of the pupils that they support. Through the implementation of this policy, the school will:

- Use their best endeavours to make sure that pupils with SEND get the support they need to access the school's broad and balanced curriculum.
- Ensure that pupils with SEND engage in the activities of the school alongside pupils who do not have SEND.
- Ensure there is high-quality provision to meet the needs of pupils with SEND, with specific focus on inclusive practice and removing barriers to learning.
- Fulfil its statutory duties towards pupils with SEND in light of the SEND code of practice.
- Promote disability equality and equality of opportunity, fulfilling its duties under the Equality Act 2010 towards individual disabled pupils.
- Make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that disabled pupils are not at a substantial disadvantage compared with their peers.
- Designate a teacher to be responsible for coordinating SEND provision, i.e. the SENCO.
- Inform parents when they are making special educational provision for their child.
- Review, prepare and publish important information about the school and its implementation of relevant SEND policies, including:
 - Accessibility plans setting out how they plan to increase access to the curriculum and the physical environment for pupils with SEND.
 - Information about the admission arrangements for pupils with SEND and the steps taken to prevent them being treated less favourably than others.
 - A SEN information report about the implementation of the school's policy for pupils with SEND.
 -

5. Roles and responsibilities

The governing board will be responsible for:

- Ensuring this policy is implemented fairly and consistently across the school.
- Ensuring the school meets its duties in relation to supporting pupils with SEND.
- Ensuring that there is a qualified teacher designated as SENCO for the school.

The headteacher will be responsible for:

The headteacher is responsible for ensuring the school offers a broad and balanced curriculum, with high quality teaching and a positive and enriching educational experience of for all pupils, including pupils with SEND.

- Ensure the school holds ambitious expectations for all pupils with SEND.
- Establish and sustain culture and practices that enable pupils with SEND to access the curriculum and learn effectively.
- Ensure the school works effectively in partnership with parents, carers and professionals, to identify the additional needs and SEND of pupils, providing support and adaptation where appropriate.
- Ensure the school fulfils its statutory duties with regard to the SEND code of practice.
- Ensuring that those who are teaching or working with pupils with SEND are aware of their needs and have arrangements in place to meet them.
- Ensuring that teachers monitor and review pupils' progress during the academic year.
- Cooperating with the LA during annual EHC plan reviews.
- Ensuring that the SENCO has sufficient time and resources to carry out their functions.
- Providing the SENCO with sufficient administrative support and time away from teaching to enable them to fulfil their responsibilities.
- Assisting the governing board in appointing a designated teacher for LAC, who will work closely with the SENCO to ensure that the needs of the pupils are fully understood by relevant school staff.
- Regularly and carefully reviewing the quality of teaching for pupils at risk of underachievement, as a core part of the school's performance management arrangements.
- Ensuring that teachers understand the strategies to identify and support vulnerable pupils.
- Ensuring teachers have an established understanding of different types of SEND.
- Ensuring that procedures and policies for the day-to-day running of the school do not directly or indirectly discriminate against pupils with SEND.
- Ensuring that pupils with SEND and their parents are actively supported in contributing to needs assessments and developing and reviewing EHC plans.
- Establishing and maintaining a culture of high expectations and including pupils with SEND in all opportunities available to other pupils.
- Ensuring that the approach to the curriculum includes how it is made accessible for pupils with SEND.
- Consulting health and social care professionals, pupils, and parents to ensure the needs of pupils with medical conditions are effectively supported.

- Keeping parents and relevant teachers up to date with any changes or concerns involving a pupil, considering the school's Pupil Confidentiality Policy.
- Identifying any patterns in the identification of SEND within the school and comparing these with national data.
- Reporting to the governing board on the impact of SEND policies and procedures, including on pupils' mental health and wellbeing.
- Ensuring that the SENCO is provided with training, with an emphasis on mental health, on an annual basis.

The SENCO will be responsible for:

- Collaborating with the governing board and headteacher, as part of the SLT, to determine the strategic development of the SEND policy and provision in the school.
- The day-to-day responsibility for the operation of SEND policy.
- Understanding the link between Safeguarding and SEND
- Follow academic progress and trends of pupils with SEND
- The coordination of specific provision made to support individual pupils with SEND.
- Liaising with the relevant designated teacher for LAC with SEND.
- Advising on a graduated approach to providing SEND support.
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively.
- Liaising with the parents of pupils with SEND.
- Liaising with early years providers, other schools, educational psychologists, health and social care professionals, and independent or voluntary bodies, as required.
- Being a key point of contact for external agencies, especially the LA and LA support services.
- Liaising with the potential future providers of education to ensure that pupils and their parents are informed about the options, and a smooth transition is planned.
- Working with the relevant governors and the headteacher to ensure that the school meets its responsibilities under the Equality Act 2010, regarding reasonable adjustments and access arrangements.
- Ensuring that the school keeps the records of all pupils with SEND up-to-date, in line with the school's Data Protection Policy.
- Providing professional guidance to colleagues, and working closely with staff, parents and other agencies.
- Being familiar with the provision in the Local Offer and being able to work with professionals who are providing a supporting role to the family.

Teachers will be responsible for:

- Planning and reviewing support for pupils with SEND on a graduated basis, in collaboration with parents, the SENCO and, where appropriate, the pupils themselves.
- Setting high expectations for every pupil and aiming to teach them the full curriculum, whatever their prior attainment.
- Planning lessons to address potential areas of difficulty to ensure that there are no barriers to every pupil achieving.
- Ensuring every pupil with SEND is able to study the full national curriculum.

- Being accountable for the progress and development of the pupils in their class.
- Being aware of the needs, outcomes sought, and support provided to any pupils with SEND they are working with.
- Understanding and implementing strategies to identify and support vulnerable pupils with the support of the SENCO.
- Keeping the relevant figures of authority up-to-date with any changes in behaviour, academic developments and causes of concern. The relevant figures of authority include the headteacher.

6. [EYFS] Early years pupils with SEND

All early years providers are required to have arrangements in place to identify and support children with SEND and to promote equality of opportunity for children in their care. These requirements are set out in the EYFS framework.

The school will ensure all staff who work with young children are alert to emerging difficulties and respond early.

The school will:

- Ensure that staff listen and understand when parents express concerns about their child's development, as well as listening to any concerns raised by children themselves.
- Monitor and review the progress and development of all children throughout the early years.
- Use its best endeavours to make sure that a child with SEND gets the support they need.
- Ensure that children with SEND engage in the activities of school alongside children who do not have SEND.
- Designate a teacher to be the SENCO.
- Provide information for parents on how it supports children with SEND.
- Prepare a report on the:
 - Implementation of SEND policy and procedures.
 - Arrangements for the admission of children with SEND.
 - Steps being taken to prevent children with SEND from being treated less favourably than others.
 - Facilities provided to enable access to the school for children with SEND.
 - Accessibility plan showing how it plans to improve access over time.
- Inform parents when the school makes special educational provision for their child.
- Follow a graduated approach to assessing, planning, implementing, and reviewing provision and progress – the 'assess, plan, do, review' cycle.

7. SEND support

The school is aware of its statutory duty to provide a broad and balanced curriculum and recognise that high quality teaching, which is differentiated for individual pupils, is the first step in responding to pupils who have or may have SEND.

Teachers at the school will:

- Set high expectations for every pupil.
- Plan stretching work for pupils whose attainment is significantly above the expected standard.
- Plan lessons for pupils who have low levels of prior attainment or come from disadvantaged backgrounds.
- Use appropriate assessment to set targets which are deliberately ambitious.
- Plan lessons to ensure that there are no barriers to every pupil achieving.
- Be responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff.
- Follow St Peter's teaching and learning policy with regards to adaptive learning

Decisions on whether to make special educational provision for pupils will be based upon:

- Discussions between the teacher and SENCO.
- Analysis of the pupil's progress – using internal formative and summative assessments, alongside national data and expectations of progress.
- Discussion with the pupil and their parent.
- Once a pupil has been identified with SEND, the school will employ a graduated approach to meeting the pupil's needs. This will be through the adoption of a four-part cycle – **assess, plan, do, review** – whereby earlier decisions and actions are revisited, refined and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. The process is as follows:
 - **Assess:** establishing a clear assessment of the pupil's needs
 - **Plan:** agreeing the adjustments, interventions and support to be put in place, as well as the expected impact on progress, development or behaviour, along with a clear date for review
 - **Do:** implementing the agreed interventions and support
 - **Review:** analysing the effectiveness of the interventions and their impact on the pupil's progress in line with the agreed review date

Where higher levels of need are identified, the school will access specialised assessments from external agencies and professionals.

Where, despite the school having taken relevant and purposeful action to identify, assess and meet the SEN of a pupil, they have not made expected progress, the school, in consultation with parents, will consider requesting an Education, Health and Care needs

8. Children with specific circumstances

LAC

Pupils at the school who are being accommodated, or who have been taken into care, by the LA are legally defined as being 'looked after' by the LA.

The school recognises that pupils that have SEND are more likely to be 'looked after', and it is likely that a significant proportion of them will have an EHC plan.

The school has a designated member of staff for coordinating the support for LAC.

Where that role is carried out by a person other than the SENCO, designated teachers will work closely with the SENCO to ensure that the implications of a child being both looked after and having SEND are fully understood by relevant school staff.

EAL

The school is aware that there may be pupils at the school for whom English is not their first language and appreciates that having EAL is not equated to having learning difficulties. At the same time, when pupils with EAL make slow progress, it will not be assumed that their language status is the only reason; they may have SEND.

The school will consider the pupil within the context of their home, culture and community and look carefully at all aspects of a pupil's performance in different subjects to establish whether the problems they have in the classroom are due to limitations in their command of English or arise from SEND.

9. Admissions

The school will ensure it meets its duties set under the DfE's 'School Admissions Code' by:

- Not refusing admission for a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first to be assessed for SEND.
- Not refusing admission for a child that has named the school in their EHC plan.
- Considering applications from parents of children who have SEND but do not have an EHC plan.
- Not refusing admission for a child who has SEND but does not have an EHC plan because the school does not feel able to cater for those needs.
- Not refusing admission for a child who does not have an EHC plan.
- Not discriminating against or disadvantaging applicants with SEND.
- Ensuring policies relating to school uniform and trips do not discourage parents of pupils with SEND from applying for a place.
- Adopting fair practices and arrangements in accordance with the 'School Admissions Code' for the admission of children without an EHC plan.
- Ensuring the school's oversubscription arrangements will not disadvantage children with SEND.

- Ensuring that tests for selection are accessible to children with SEND, with reasonable adjustments made where necessary.
- The governing body has a duty to comply with LA Fair Access Protocol

Involving pupils and parents in decision-making

Parents of pupils with SEND will be encouraged to share their knowledge of their child; the headteacher and SENCO will aim to give them the confidence that their views and contributions are valued and will be acted upon.

Parents will always be formally notified when the school provides their child with SEND support.

Decisions on whether the school will commission added provisions will be discussed thoroughly with the LA, parents and, when appropriate, the pupil involved.

Decisions about education will not unnecessarily disrupt a pupil's education or any health treatment underway.

The planning that the school implements will help parents and pupils with SEND express their needs, wishes and goals, and will:

- Focus on the pupil as an individual, not allowing their SEND to become a label.
- Be easy for pupils and their parents to understand by using clear, ordinary language and images, rather than professional jargon.
- Highlight the pupil's strengths and capabilities.
- Enable the pupil, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
- Tailor support to the needs of the individual.
- Organise assessments to minimise demands on parents.
- Bring together relevant professionals to discuss and agree together the overall approach.

The class teacher, supported by the SENCO, will meet / correspond with pupils and their parents up to three times per academic year to set clear outcomes, review progress, discuss activities and support, and identify parental responsibilities.

10. Joint commissioning, planning and delivery

The school is committed to ensuring that pupils with SEND can achieve their ambitions and the best possible educational outcomes, as well as other opportunities, such as securing employment and living as independently as possible.

If required, the school will work closely with local education, health and social care services to ensure pupils get the right support.

The school will assist the LA in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and

young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).

The school will plan, deliver and monitor services against how well outcomes have been met, including, but not limited to:

- Improved educational progress and outcomes for pupils with SEND.
- Increasing the identification of pupils with SEND prior to school entry.

Where pupils with SEND also have a medical condition, their provision will be planned and delivered in coordination with the EHC plan.

SEND support will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

11. Funding

The school will allocate the appropriate amount of core per-pupil funding and notional SEND budget outlined in the Local Offer for the SEND provision of its pupils.

Personal budgets are allocated from the LA's high needs funding block; the school will continue to make SEND provision from its own budgets, even if a pupil has an EHC plan.

12. Local Offer

The school's governing board will collaborate with and support the LA in developing and reviewing the Local Offer, where necessary and appropriate, to ensure that it is:

- **Collaborative:** Where appropriate, the school will work with LAs, parents and pupils in developing and reviewing the Local Offer. The school will also cooperate with those providing services.
- **Accessible:** The school will collaborate with the LA during development and review to ensure that the LA's Local Offer is easy to understand, factual and jargon-free; is structured in a way that relates to pupils' and parents' needs, e.g. by broad age group or type of special educational provision; and is well signposted and publicised.
- **Comprehensive:** The school will help to ensure that parents and pupils understand what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The school will assist the LA in ensuring that the Local Offer includes eligibility criteria for services, where relevant, and makes it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.
- **Up-to-date:** The school will work with the LA to review the Local Offer to ensure that, when parents and pupils access the Local Offer, the information is up-to-date.

The school will provide the LA with information about their existing SEND provision and capabilities to support pupils with SEND to aid in the drafting of the Local Offer, where required.

St Helens SEND Local offer can be found at: www.sthelens.gov.uk/schools-education/sen-the-local-offer/

13. Graduated approach

Once a pupil with SEND has been identified, the school will employ a graduated provision approach to meet the pupil's needs by:

- Establishing a clear assessment of the pupil's needs.
- Planning, with the pupil's parents, the interventions and support to be put in place, as well as the expected impact on progress, development and behaviour, along with a clear date for review.
- Implementing the interventions, with the support of the SENCO.
- Reviewing the effectiveness of the interventions and making any necessary revisions.

14. Assessment

The school will, in consultation with the pupil's parents, request a statutory assessment of SEND where the pupil's needs cannot be met through the resources normally available within the school.

Consideration of whether SEND provision is required, and thus an EHC plan, will start with the desired outcomes and the views of the parents and pupil.

The school will gather advice from relevant professionals about the pupil concerned, including their education, health and care needs, desired outcomes and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

In tracking the learning and development of pupils with SEND, the school will:

- Base decisions on the insights of the pupil and their parents.
- Set pupils challenging targets.
- Track pupils' progress towards these goals.
- Review additional or different provisions made for them.
- Promote positive personal and social development outcomes.
- Base approaches on the best possible evidence and ensure that they are having the required impact on progress.

Detailed assessments will identify the full range of the individual's needs, not just the primary need.

Where possible, pupils' needs will be defined under the 'Special educational needs and disability code of practice: 0 to 25 years' broad areas of need:

- Communication and interaction.
- Cognition and learning.
- Social, emotional and mental health difficulties.
- Sensory and/or physical needs.

Where a pupil continually makes little or no progress, or is working substantially below expected levels, the school will consult with parents before involving specialists.

15. Training

Relevant staff members will keep up-to-date with any necessary training, which will be provided by the SENCO, as well as external agencies, where appropriate. Training will cover both the mental and physical needs of pupils with SEND. The training offered will be delivered to ensure equality, diversity, understanding and tolerance.

Mental health will be a key consideration for all training that the SENCO participates in, along with any training that staff are given.

During staff induction, all staff will receive SEND training.

Training will cover the following:

- Identifying SEND in pupils
- Liaising with the school's SENCO
- Implementing support measures
- Monitoring the success of those support measures
- De-escalation techniques
- How to develop peaceful learning environments
- How to develop lessons so they are engaging for pupils with varying forms of SEND
- Reasonable adjustments
- How to help with emotional development

16. Promoting mental health and wellbeing

The school will ensure that there is a focus on promoting pupils' resilience, confidence and ability to learn in subjects across the curriculum.

Positive classroom management and working in small groups will be implemented to promote positive behaviour, social development and high self-esteem. Specialist services will be available where a pupil requires such services. Where appropriate, the school will support parents in the management and development of their child.

Peer mentoring will be used to encourage and support pupils suffering with SEMH difficulties. Mentors will act as a confidant with the aim of easing the worries of their mentee.

When in-school intervention is not appropriate, referrals and commissioning will be used instead. The school will continue to support the pupil as best it can.

For pupils with more complex problems, additional in-school support will include:

- Supporting the pupil's teacher, to help them manage the pupil's behaviour.
- Additional educational one-to-one support for the pupil.
- One-to-one therapeutic work with the pupil, delivered by mental health specialists.
- An IHP. All schools must comply with the statutory duty of caring for pupils with medical needs.
- Providing professional mental health recommendations, e.g. regarding medication.
- Family support and/or therapy, upon the recommendation of mental health professionals.

The school will consider whether disruptive behaviour is a manifestation of SEMH needs.

The school will focus on work that helps to build self-esteem and self-discipline with the aim of addressing disruptive behaviour.

17. EHC plans

The school recognises that, despite having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, some pupils may not make expected levels of progress. In these cases, the school will consult with parents and consider requesting an EHC needs assessment.

The purpose of an EHC plan is to make special educational provision to meet the SEND of the pupil, to secure the best possible outcomes for them across education, health and social care and prepare them for adulthood.

As part of the EHC needs assessment, the school will meet its duty by:

- Responding to any request for information as part of the EHC needs assessment process within six weeks from the date of the request, unless special exemptions apply as outlined in the SEND code of practice.
- Providing the LA with any school-specific information and evidence about the pupil's profile and educational progress.
- Gathering any advice received from relevant professionals regarding their education, health and care needs, desired outcomes, and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

If, following the assessment, the LA decides not to issue an EHC plan, the school will be provided with written feedback collected during the EHC needs. It will use this information to contribute to the graduated approach and inform how the outcomes sought for the pupil can be achieved through further special educational provision made by the school and its partners.

Where the LA decides to issue an EHC plan, it must consult the prospective school by sending a copy of the draft plan and consider their comments before deciding whether to name it in the pupil's EHC plan. The school will meet its duty to provide views on a draft EHC plan within 15 days.

The school will admit any pupil that names the school in an EHC plan and will ensure that all those teaching or working with a pupil named in an EHC plan are aware of the pupil's needs and that arrangements are in place to meet them.

18. Reviewing the EHC plan

The school will ensure that teachers monitor and review the pupil's progress during the year and conduct a formal review of the EHC plan at least annually.

The school will:

- Cooperate with the LA and relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.
- Ensure that the appropriate people are given at least two weeks' notice of the date of the meeting, such as representatives from the LA SEN, social care and health services.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Ensure that sufficient arrangements are put in place at the school to host the annual review meeting.
- Contribute any relevant information and recommendations about the EHC plan to the LA, keeping parents involved at all times.
- Lead the review of the EHC plan to create the greatest confidence amongst pupils and their parents.
- Prepare and send a report of the meeting to everyone invited within two weeks of the meeting, setting out any recommendations and amendments to the EHC plan.
- Clarify to the parents and pupil that they have the right to appeal the decisions made regarding the EHC plan.
- Where possible for LAC, combine the annual review with one of the reviews in their care plan, in particular the personal education plan (PEP) element.
- Where necessary, provide support from an advocate to ensure the pupil's views are heard and acknowledged.
- Where necessary, facilitate support from an advocate to ensure the parent's views are heard and acknowledged.
- Review each pupil's EHC plan to ensure that it includes the statutory sections outlined in the 'Special educational needs and disability code of practice: 0 to 25 years', labelled separately from one another.

If a pupil's needs significantly change, the school will request a re-assessment of an EHC plan at least six months after an initial assessment. Thereafter, the governing board or headteacher will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary.

19. Safeguarding

The school recognises that evidence shows children with SEND are at a greater risk of abuse and maltreatment and will ensure that staff are aware that pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g. from online bullying, grooming and radicalisation.
- Are at greater risk of abuse, including, but not limited to, peer-on-peer abuse, neglect and sexual violence or harassment.

The school recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, though are not limited to,

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the pupil's condition without further exploration.
- These pupils being more prone to peer group isolation or bullying (including prejudice-based bullying) than other pupils.
- The potential for pupils with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.
- Communication barriers and difficulties in managing or reporting these challenges.

The headteacher and governing board will ensure that the school's Child Protection and Safeguarding Policy reflects the fact that these additional barriers can exist when identifying abuse. When using reasonable force in response to risks presented by incidents involving pupils with SEND, staff will have due regard for the procedures outlined in the school's Positive Handling Policy.

Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes behaviour or mood, or any injuries, and these indicators will be investigated by the DSL in collaboration with the SENCO.

20. Transferring between different phases of education

EHC plans will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of support and provision at the new phase.

The key transfers are as follows:

- Early years provider to school
- Infant school to junior school
- Primary school to secondary school

21. SEND tribunal

All disagreements about an EHC plan will be attempted to be resolved as quickly as possible, without the pupil's education suffering.

In all cases, the school's written Complaints Procedures Policy will be followed, allowing for a complaint to be considered informally at first.

Following a parent's serious complaint or disagreement about the SEND provisions being supplied to a pupil, the school will contact the LA immediately to seek disagreement resolution advice, regardless of whether an EHC plan is in place.

- Where necessary, the headteacher will make the relevant parties aware of the disagreement resolution service.
- Parents are made aware that Ofsted can consider complaints relating to whole school SEND early years provision, if the problem has not been resolved informally.

The school will meet any request to attend a SEND tribunal and explain any departure from its duties and obligations under the 'Special educational needs and disability code of practice: 0 to 25 years'.

Following the use of informal resolutions, the case will be heard in front of three people, one of whom must be independent of the management and running of the school. If disagreements are not resolved at a local level, the case will be referred to the DfE. The school will fully cooperate with the LA by providing any evidence or information that is relevant. All staff involved in the care of the pupil will cooperate with parents to provide the pupil with the highest standard of support and education.

22. Supporting successful preparation for adulthood

The school will ensure that pupils are supported to make a smooth transition to whatever they will be doing next, e.g. moving on to higher education.

The school will engage with secondary schools, as necessary, to help plan for any transitions.

The school will transfer all relevant information about pupils to any educational setting that they are transferring to.

If a pupil has been excluded, the school has a duty to arrange suitable, full-time education from the sixth day of a fixed period exclusion and to provide full details of any SEND provisions necessary, in accordance with the school's Exclusion Policy.

If it is in the best interest of the pupil, the school may commission alternative provision, in line with any EHC plans in place, for pupils who face barriers to participate in mainstream education.

The school will take an active role in preparing pupils with SEND for their transition into adult life, preparing them to achieve their ambitions in terms of HE, FE or employment, taking responsibility for their health, where they will live, their relationships, their finances, social integration and independence.

23. Data and record keeping

The school's records will:

- Include details of SEND, outcomes, action, agreed support, teaching strategies and the involvement of specialists, as part of its standard management information system to monitor the progress, behaviour and development of all pupils.
- Maintain an accurate and up-to-date register of the provision made for pupils with SEND.
- Show all the provisions the school makes which is different or additional to that offered through the school curriculum on a provision map.

The school keeps data on the levels and types of need within the school and makes this available to the LA.

All information will be kept in accordance with the school's Records Management Policy and Data Protection Policy.

24. Confidentiality

The school will not disclose any EHC plan without the consent of the pupil's parents, except for disclosure:

- To a SEND tribunal when parents appeal, and to the Secretary of State under the Education Act 1996.
- On the order of any court for any criminal proceedings.
- For the purposes of investigations of maladministration under the Local Government Act 1974.
- To enable any authority to perform duties arising from the Disabled Persons (Services, Consultation and Representation) Act 1986, or from the Children Act 1989 relating to safeguarding and promoting the welfare of children.
- To Ofsted inspection teams as part of their inspections of schools and LAs.
- To any person in connection with the pupil's application for students with disabilities allowance in advance of taking up a place in HE.
- To the headteacher (or equivalent position) of the setting at which the pupil is intending to start their next phase of education.

The school will adhere to the Pupil Confidentiality Policy at all times.

25. Resolving disagreements

The school is committed to resolving disagreements between pupils and the school.

In carrying out of duties, the school:

- Supports early resolution of disagreements at the local level.
- Explains the independent disagreement resolution arrangements in our Complaints Procedures Policy, which is available for disagreements across special educational provision, and health and care provision in relation to EHC plans and tribunals.

The school's Complaints Procedures Policy will be published on the school website; additionally, the school will publish details regarding how complaints from parents of children with SEND will be handled.

26. Publishing information

The school will publish information on the school website about the implementation of this policy. The governing board will publish details of the SEND information report on the school website.

The information published will be updated annually and any changes to the information occurring during the year will be updated as soon as possible.

27. Monitoring and review

The policy is reviewed on an annual basis by the headteacher and SENDCO in conjunction with the governing board; any changes made to this policy will be communicated to all members of staff, parents of pupils with SEND, and relevant stakeholders.

All members of staff are required to familiarise themselves with this policy as part of their induction programme.

Where can you get information on what provision is made through the local authority?

More information on what is available to children with SEN and their parents/carers in St Helens is on the Local Offer site <https://www.sthelens.gov.uk/schools-education/sen-the-local-offer/>
